Greg Russell is a St. Louis native and has over a decade of experience in real estate including purchasing, renovating, selling and leasing both residential and commercial properties. These positive experiences fueled his desire to focus exclusively on commercial real estate with Gundaker Commercial Group.

Prior to his real estate career, Greg sold medical information to the healthcare industry. He successfully worked with healthcare providers, physician groups, hospitals and teaching institutions, national medical societies, and pharmaceutical companies for 14 years, providing unique solutions tailored to meet each client's individual needs.

Greg is known for his honesty and integrity when representing buyers, sellers, landlords, and tenants in real estate transactions. He specializes in medical office space, investment property, retail, industrial, and land throughout St. Louis and the surrounding areas.

Outside his professional career, Greg enjoys spending time with his wife and two young sons in and around St. Louis and at their family property in Franklin County, Missouri.
