

Gundaker Commercial Group (GCG) was founded by Gordon Gundaker as part of the Gundaker family of real estate companies over 35 years ago. Gundaker Commercial Group continues today under the ownership of its founder, Gordon Gundaker. Gundaker has become the most well-known and respected name in St. Louis real estate. Gordon's belief that "The Client Comes First" permeates the day-to-day values of Gundaker Commercial Group brokers, vendors, employees, and associates.

Our team of commercial real estate brokers specializes in land, retail, office, industrial, investment, healthcare/medical, multi-family and institutional real estate. The team represents buyers, sellers, landlords and tenants. GCG is a licensed broker in both Missouri and Illinois.

GCG is a member of the St. Louis Association of Realtors and is active in the leadership of its Commercial Division. It subscribes to the commercial real estate data services CoStar and Xceligent, Inc. Our brokers are affiliated with a wide variety of professional organizations, including Certified Commercial Investment Members (CCIM), Urban Land Institute (ULI), Homebuilders Association of Greater St. Louis, St. Louis Apartment Association (SLAA), Building Owners and Managers Association (BOMA), American Planning Association (APA), International Council of Shopping Centers (ICSC) and the Engineers Club of St. Louis. GCG supports numerous civic and community efforts and charitable causes, both as a company and through its team members.
